

MONTANA ASSOCIATION OF NATUROPATHIC PHYSICIANS
PO Box 217 – HELENA, MT 59624
406-442-4141

2009 Fall Continuing Education
October 10 – 1:00—5:00pm
October 11 – 9:00 am—12noon
Boulder Hot Springs

**The Healing Power of Nature Alive and Thriving
In Our Naturopathic Practices**

- The ABCs of Balneotherapy and a Nature Cure Practice
- Hydropnyia and the Drinking Cure, or the Big Deal on Bottled Water
- The therapeutic qualities of Montana mineral hot springs. Confidently prescribing the use of thermal waters in and away from your practice.
- Use local and less familiar herbs for successful outcomes; discover and apply numerous clinical pearls.
- Effective use of Peat and Mud in your practice with amazing outcomes.
- Learn about peloid research and current applications in clinics worldwide.
- Water Cure Protocols and their applications in your clinical practice.

If your office has an examination table, then you have everything you need to bring nature cure therapies to your patients. You will learn how to treat confidently common, everyday complaints with simple procedures such as compresses, wraps, poultices, fomentations, hydropnyia, office balneotherapy, unique herbal formulas, and other interventions.

Your patients will thank you.

This course includes a manual, patient handouts and balneotherapy products.

Led by Dr. Sussanna Czeranko and Dr. Glen Nagel
